Third COVID-19 death reported in Jackson County Update for Clay and Rockcastle County

Manchester, KY – April 18, 2020 - Today, we are saddened to confirm the third death of a Jackson Manor resident due to COVID-19. Our deepest sympathies go out for the residents, families, and staff that are being affected by this illness. The resident was an 85-year old female. No further details will be released by the health department out of respect for the family's privacy.

As of 12:00 PM Saturday afternoon, CVDHD reports the following information for Jackson County:

Total cases: 42

Total deaths: 3

Total hospitalized: 5

Total recovered: 11

Jackson Manor: 38 total cases

Jackson Manor residents: 27 total cases, 4 currently hospitalized, 3 deaths

Jackson Manor staff: 11 total cases among staff who are residents of Jackson County, 10 recovered

Not associated with Jackson Manor: 4 total cases, 1 currently hospitalized, 1 recovered

CVDHD reports no new cases in Rockcastle County, with twelve total cases to date. The total recovered cases in Rockcastle County remains at nine. Clay County continues to report no confirmed cases, although the number of people being tested by health care providers in the community is increasing.

Case totals by county are updated on the Cumberland Valley District Health Department website:
